

PetWill Sample Pet Trust

This example document is only for informational purposes and not a completed valid version.

THE JENNIFER WILLIAMS PET TRUST

The date of this Pet Trust is July 15, 2016 (the "Pet Trust"). This Pet Trust is created by **Jennifer Williams** (the "Trustmaker"), and **Jennifer Williams** as the Initial Trustee (the "Trustee"). My Pet Trust shall be referred to as **Jennifer Williams Pet Trust** dated July 15, 2016.

This agreement shall create a valid Pet Trust under the laws of the Colorado and under the laws of any state where this Pet Trust is administered. The terms of this Pet Trust prevail over any provision of state law, except those provisions that are mandatory and may not be waived.

ARTICLE ONE: By executing this Pet Trust, I transfer, convey and assign to my Trustee the trust property described in the attached Schedule A, specifically including my Pets (as defined below), provided however, if this transfer invalidates the pet trust under state law, then I shall retain ownership of my Pets during my lifetime and thereafter my Pets shall be deemed to be owned by my Pet Guardian. My Trustee accepts and agrees to hold my Pets and the property transferred along with any additional property transferred during my lifetime or at my death and accepted by my Trustee (the "Trust Estate"). My Trustee will hold, invest, administer, manage and distribute the Trust Estate for the benefit of my Pets under this Pet Trust. In the event the Trust Estate consists of only my Pets, then my desire is for my Pet Guardian (named below) to provide my Pets with lifetime love and care out of generosity and without expectation of compensation from the Pet Trust.

I retain the right to act on behalf of this Pet Trust without the consent of any other Trustee. I may amend, restate or revoke this Pet Trust for any reason. I may add or remove my Pets and property from this Pet Trust at any time. I reserve the right to make and approve all investment decisions. This is a Grantor Trust and during my lifetime will use my Social Security Number as the Taxpayer Identification Number. Upon my death, this Pet Trust will become irrevocable. When my Pet Trust becomes irrevocable, my Trustee shall apply for a new Taxpayer Identification Number.

ARTICLE TWO: Beneficiaries. My Pet Trust beneficiaries are all of my animals or pets (regardless of type or species) that I own when this Pet Trust is created, as well as any other pets I may acquire and own at the time of my disability or death ("my Pets"). My Trustee is authorized to expend the Trust Estate, including all of my Trust Estate, for the sole benefit of my Pets without regard for any other beneficiary, including remainder beneficiaries. My Trustee shall deliver my Pets to my Pet Guardian, who shall provide my Pets with lifetime care. My Pets may be more particularly described in my Online Pet Profile. My Pet Profile identification information is set forth on Schedule A.

ARTICLE THREE: Pet Guardian. During my lifetime, I will be the Pet Guardian for my Pets.

A. Regarding my Pet **Rocky a Male French Bulldog**, if I die, become incapacitated, unavailable or otherwise unable to care for my Pet, then **James Williams** will be Pet Guardian for my Pet. If **James Williams** is unable, unwilling or unavailable to act as Pet Guardian, then **Michelle Sanchez** will be my Pet Guardian. If **Michelle Sanchez** is unable, unwilling or unavailable to act as Pet Guardian, then **Taylor Chang** will be my Pet Guardian.

If none of my named Pet Guardians are able to provide care for my Pets, then my Trustee or Trust Protector may select one or more alternate Pet Guardians for the lifetime care of my Pets. Any Pet Guardian selected shall be an individual or organization with demonstrated love and compassion for animals and who is not related or subordinate to my Trustee within the meaning of Section 672(c) of the Internal Revenue Code. If there are insufficient assets as part of the Trust Estate, I intend that my Pet Guardian personally provide for the lifetime care of my Pets.

B. I am leaving written instructions that detail the care and maintenance of my Pets and in particular, information about their health care and other needs, for use by my Pet Guardian and Successor Trustee. I may update these instructions occasionally. A complete list of all of my Pet Profile Links and individual identification number for each pet is attached to this Pet Trust as Schedule A. My Pet Profile(s) shall be incorporated by reference, if permitted by state law. In the absence of locating these written instructions or if incorporation by reference is not permitted by state law, my Pet Guardian and Successor Trustee shall use the information in this Pet Trust, the Pet Profile(s) and their best judgment for the lifetime care of my Pets.

There are about 12 more pages in the actual PetWill Pet Trust document. Those pages will contain the rest of the legal information, including your trustees, remainder beneficiary, pet's details and whether you plan on leaving funds for your pets future care. You will also be able to sign the actual real document, get it witnessed by two people and have it notarized. This was just a sample of the first couple pages of a PetWill. Remember, only you know the most important details about your pets. PetWill lets you write it down and backs up your wishes for your pets 24/7 online. Pet Trusts are valid in all 50 states and the District of Columbia.
